EasyChair

More data stored in EasyChair, but...

QPL 2023 Pages Cannot be Accessed

Access to QPL 2023 (The 20th International Conference on Quantum Physics and Logic) by non-authors is temporarily not possible. This may be due to non-payment and/or exceeding the number of submissions on the conference license.

While you are a chair, you have no access to conference payments. Please make other chairs aware of the problem.

The access will be restored as soon as the payment problem has been solved.

To ensure uninterrupted work, authors can still access the conference.

Conference Management in the future?

How do we manage the conference in the future:

- Pay for EasyChair?
- Switch to HotCRP?
 - Used it before both as author and as PC member. Seems OK to me.
- Switch to OpenReview?
 - Used for ACT 2023, but there have been some complaints.
- Something else?

Overlapping PC chairs?

An idea was proposed to have overlapping PC chairs:

- The PC chair volunteers for the role for two years.
- Every year we have (at least) two PC chairs. One maybe less active than the other?
- Continuity and consistency between different years of QPL.
